Fort Wayne City Council

Dear Council Members,

The Fort Wayne Fire Department is requesting the purchase of two pumpers at an individual cost of \$178,227.50, for a total cost of \$356,455. Funding for the pumps is out of our budget line 4441.

The pumps will be replacing two 1990 pumpers. These pumps will be put in reserve for back-up status. We will be retiring two 1985 pumpers that are currently in our reserve line.

Implications if the two trucks are not purchased is that we will continue to use the two 1985 pumps that we have in reserve.

Thank you for your approval for the purchase of the fire trucks.

Sincerely,

Sharon Parks  
Administrative Assistant
